PRINCIPLE #1

I BELIEVE AND AFFIRM

**I am more than what I am
currently experiencing in my life!**

*Although the current circumstances and
problems in my life look impossible, I affirm
that "I am more than a conqueror"*

Clearly, life will do its best to define who you are. Life is funny like that. We each look for identity and definition as we grow throughout our life. We look for affirmation and love, acceptance and truth from our world around us. The earth from which our bodies were made tries to define who we are.

In the end, people define themselves by what they are experiencing. We identify our own worth by what is going on around us, our successes and yes, even problems and issues we may be facing. This is a trap that will lead into an emotional roller coaster of being up one day and down the next. Why? Because what we experience from day to day is subject to change.

FACT: God Never Changes!

You must believe that you came from God's best in spite of everything you may be experiencing right now.

*"In this, love is completed and perfected with us, so that we may have confidence in the day of judgment; because **as He is, so are we in this world.**"* | John 4:17

PRINCIPLE #2

I BELIEVE AND AFFIRM

The conclusions about who I am and what I am capable of do not come from my past or present definitions and experiences!

I reject the old mindsets of the past and I embrace the new! I trust in the greater one inside of me. His conclusions about my life are based upon a greater truth.

We grow up in a world that predisposes us to a life of limitation. Therefore it is important that we establish our hearts in the truth of who God says we are and not our past or present experiences.

You may have grown up in a world that convinced you that were not enough, that somehow you were lacking. You might have been told that you had no worth or were stupid. Whatever beliefs you may have, you need to know that if they contradict how God sees you, then they are a lie.

When our focus is right our priorities will be in sync and harmony with the Kingdom of God. When our focus is wrong, we end up building our lives on foundations that won't last.

FACT: The Kingdom is Already Yours!

"Do not fear, little flock, for it is your Father's good pleasure to give you the kingdom."

PRINCIPLE #3

I BELIEVE AND AFFIRM

I am created to supersede and rise above the dictates of my environment; not to be controlled by it!

My life is not the end result of what may be happening around me. God promised that everything works out for my good therefore I expect good things to happen for me.

Read the following out loud.

“I am God’s design and as such I have a purpose. My purpose is bigger than the dictates of what goes on around me. The winds and currents of life may be blowing in the direction of my life or they may be in opposition.

It is not the wind or current that determines my destination. The destination of my purpose is determined by the setting of my sail.”

FACT: Set Your Sail By The Truth of God’s Word And You Will Win!

“So we are convinced that every detail of our lives is continually woven together to fit into God’s perfect plan of bringing good into our lives, for we are his lovers who have been called to fulfill his designed purpose.”

Rom. 8:27 (TPT)

PRINCIPLE #4

I BELIEVE AND AFFIRM

**I am complete and the moment
I come into that awareness is the
moment I truly start experiencing it!**

*I am in Christ! My completeness flows from
the consciousness of my true identity and worth
as defined in Him. He sets me free to live my design.*

A man or woman who sees themselves as incomplete is like someone who is a slave to their environment. They are chained to the fact that they are like an empty glass that now must be filled.

Because we are born into this world incomplete, we search our entire lifetime to quench the thirst to satisfy our inner needs. These needs drive us toward finding completion and lead us to believe that we can only be satisfied through those things that are outside of ourselves.

The Bible promises an answer to the thirst of man and that answer is Jesus Christ Himself. He satisfies every yearning that we have. He is love and it is that love that provides us the significance and relevance we seek.

FACT: Drink From The Well That Jesus Provides And Never Thirst Again!

“but whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life.”

John 4:14

PRINCIPLE #5

I BELIEVE AND AFFIRM

I believe that limitless living can only be found by an identity capable of supporting it!

My life in Christ prepares me to hold and sustain every blessing, answer and miracle as they come to me.

Try pouring liquid into a cup with holes and you will soon find out that the cup cannot support what is being poured no matter how yummy and good it might be.

You see, identity is everything! By this I mean, a person may feel like they are underserving imposters of God's promises and blessings. We look at our lives and make personal judgments that tell us whether we are worthy or not. These judgments may be deeply held beliefs you have held your entire life.

In the end, we disqualify ourselves from the goodness of God in our lives when in fact we are qualified.

It will either stop you from experiencing God's best or it will allow you to receive everything He has for you. Who are you and what do you believe about who you are? Is it based on your past experiences or on something you are facing in your life right now or is it on what Jesus did for you?

FACT: Persuade Your Heart To The Truth So That You Can Live Out God's Best!

"Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new." 2 Cor. 5:17

PRINCIPLE #6

I BELIEVE AND AFFIRM

**I believe that my genesis
is in God!**

*I am God's idea, he created me for purpose.
I have his DNA which means, growth, creativity
and fulfillment belongs to me.*

Look and you will see that everything has purpose and design. All creation speaks of intention, growth, and fulfillment.

“For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse,” Rom.1:20

The Christian life is unlike any other religion in the world. Its foundational message is that God’s desire is for each of us to live out our lives full of purpose, vibrancy, and fulfillment.

God’s desire is that our lives mirror His image and character on Earth. Our purpose is to reflect give voice to the excellencies of God. This was the purpose of Jesus, to realign and bring humanity back to what was lost, our true blueprint and identity.

FACT: God Desires to Flow Through You to Others Unhindered And Unrestrained.

“We have become his poetry, a re-created people that will fulfill the destiny he has given each of us, for we are joined to Jesus, the Anointed One. Even before we were born, God planned in advance our destiny and the good works we would do to fulfill it!”

Eph. 2:10 (TPT)

PRINCIPLE #7

I BELIEVE AND AFFIRM

**I believe that all humanity
has been restored to live in
harmony of their original
design and blueprint.**

*The only criteria for enjoying the full benefits are
to simply believe, trust and rely in God's grace gift!*

If we live in a certain condition for very long, we accept it as our normal and adapt to it as the way we think things should be. These become written on our heart as truth and becomes our way of life. We resist when new information comes our way that is different.

Sin can be defined as a life that is not congruent or in harmony with how life is meant to be lived. This speaks to a heart condition that in the end influences our behavior.

Romans 1:17 Talks about the power of God being revealed through the Gospel. The Gospel is the good news that we have been restored to our original design and blueprint.

Not only are we restored but we have been given the ability to experience it firsthand in our own lives. Hey, that sounds like good news to me and I hope it is the same for you too.

FACT: Choose To Embrace What God Says About You, It Changes EVERYTHING!

“He has delivered us from the power of darkness and conveyed us into the kingdom of the Son of His love.”

Colossians 1:13

PRINCIPLE #8

I BELIEVE AND AFFIRM

**I believe... that God's grace
gift to the world is the
finished and completed
work which took place through
Jesus Christ!**

Much was accomplished that day on the cross. Our hearts struggle to take in it's full meaning. Jesus cried out in the darkness as the noon day sun eclipsed and all there heard the words, "It Is Finished." What do the words, "It is finished" mean?

It seems that much of religion has missed this point. Instead of embracing what is already ours, in our ignorance we find ourselves begging God for the very thing that has already completed.

The problem is not us needing to convince God but we convincing our heart to the gift of life that is already ours in Christ Jesus.

Jesus completed his mission to redeem and restore all humanity back to that which was lost.

FACT: What Are You Asking God To Do For You? Instead, Thank Him For Already Doing It!

"According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue."

2 Peter 1:3

"Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them."

Mark 11:24

PRINCIPLE #9

I BELIEVE AND AFFIRM

I believe... It is this Good News that leads me to a radical mind shift where it concerns my identity, original blueprint and design of what is truly possible for my life!

God reveals to us what it means for us to live in the harmony of our original design and blueprint. As we come into that awareness, we change our minds from our own views and opinions to God's view and opinion.

This is what it means to repent, to change your mind from something you once thought was true and replace it with the truth of God's word.

It all starts with what we believe. Our experience may be completely different and in fact, may be screaming at us in opposition. But God desires for us to experience freedom in every area of our lives.

Jesus said that if you are His follower then you will abide in his view and opinion and be able to experience freedom. The Holy Spirit desires to reveal to you God's view and opinion about your new identity, God's blueprint and design for you and his intense love.

FACT: It is The Goodness of God That Leads a Person to a Radical Mind Shift!

"If you abide in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free."

John 8:31,32

PRINCIPLE #10

I BELIEVE AND AFFIRM

I believe... Once this truth is discovered it leads me to understand that "I AM ENOUGH!"

In other words, the need driven drives of my life have been met, I am complete! This is the definition of true contentment, peace and joy which is the aspiration of all humanity.

God establishes truth in our lives through the work of the Holy Spirit, this leads us to the revelation that the need driven drives of our lives have been met! This is a powerful statement; the conclusion becomes obvious.

I am complete! This is the definition of true contentment, peace, and joy which is the aspiration of all humanity. Rather than living from a position of victimhood, hurt or weakness, we stand firm in our identity in Christ and the self-knowledge that we are more than enough!

It is God's desire that we each come into the full knowledge what the Gospel is all about. Our personal definitions about our own lives determine the level of success and failure we will experience in our lives.

But it all starts with realizing the unmovable and unthreatened union we now have in Him. We are God's dream come true. Now discover it!

FACT: You Are Enough!

Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.
